Mr. H. C. Erminger of the firm of Erminger & Goldsmith, large candy manufacturers Atlanta Ga., cheerfully and gratefully gives us the following wonderful

facts:

"I reached Westminster August the 19th., that night I was seized with a violent attack of cholera morbus. Fifteen actions on the bowels occurred in less than four hours. The pains kept on increasing and the actions on my lowels were more frequent. The usual remedies, Paregoric, Jamaica Ginger, &c., were promptly, vigorously and persistently used, but without avail. The symptoms were growing worse and these gersitently used, but without avail. The symptoms were growing worse and these remedies were more than useless. By a lucky and happy thought Norman's Neutralizing Cordial was procured and one dose, in a few minutes, brought marked relief and four or five more effected a complete cure. Before I began the use of this medicine, I was in the greatest agony, my bowels unchecked, and I was so completely exhausted as scarcely to be able to speak above a whisper. The relief was so sudden and so complete, that I could hardly realize it, and I knew no bounds to the expression of my gratitude for the remedy that saved me from impending death. I now feel, I am doing a service to my fellow-men in letting them know its merits that they also may have its aid in time of their danger.

The traveling salesman of the Wholesale Grocery firm of A. C. Wyly, Atlanta, Ga. Mr. Matthewson the Hotel proprietor, and others will cheerfully testify to the above thers will cheerfully testify to the above

testify as to their intrinsic value.

In coming before the people we make no promise to sell Goods cheaper than they can be bought in New York. We do not enter into this business for the fun of selling goods under cost, but expect and hope to make money. We will sell goods at a fair and legitimate profit, and shall make it our aim to treat all alike. We propose by SQUARE and honest dealing to build up a trade that will be permanent. We do not hesitate to say that we will sell goods as cheap as they can be bought in the County.

In conclusion, we ask you to come and see us. Always glad to show our goods, whether you purchase or not. Remember, that we are located at the old stand—
